16 *p*

now ground One day, the wise ones say that when we've cut down all of the trees
 One day the wise ones say that when we've used up all of the oil

now ground One day, the wise ones say that when we've cut down all of the trees
 One day the wise ones say that when we've used up all of the oil

now ground One day, the wise ones say that when we've cut down all of the trees
 One day the wise ones say that when we've used up all of the oil

now ground One day, the wise ones say that when we've cut down all of the trees
 One day the wise ones say that when we've used up all of the oil
