

Eradicate Ecocide – lyrics only

Intro: (x2, second repeat with soprano)

We won't stand by! (bass)

We won't stand by! (bass and tenor)

We won't stand by, won't stand by, won't stand by! (alto, tenor, bass)

On repeat:

We won't stand by! x4 (soprano)

Verse 1:

When boundless corporate greed threatens life on Earth

We vow to eradicate ecocide

And save us all from the Great Unravelling

With the fierceness of a mother defending a child

We vow to eradicate ecocide

Defend the Earth, the only home we know.

Chorus:

It's time now, it's time now, it's time (alto, tenor bass)

It's time to fight for the trees (soprano)

It's time now, it's time now, it's time

Stand up for refugees

It's time now, it's time now, it's time

For now we know that...

(all) What we do to the planet, we do to ourselves.

Stop Ecocide!

Verse 2:

When those who did the least

Suffer first and worst

We vow to eradicate ecocide

Stand with our neighbours all around the world

We are life on Earth, and we choose to live!

We vow to eradicate ecocide

Compassion calls and courage answers back

Chorus:

It's time now, it's time now, it's time

It's time to fight for the soils

It's time now, it's time now, it's time

We're rising up for the seas

It's time now, it's time now, it's time

For now we know that...

(all) What we do to the planet, we do to ourselves.

Stop Ecocide!
