

I'm Loving Nature Instead – lyrics only

VERSE 1

I sit and wait
Mother Nature contemplates my fate.
And does she know
The place the river flowed in the days of old?

PRE CHORUS 1

I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving nature instead

CHORUS 1

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving nature instead

VERSE 2

When I'm feeling weak
And my pain walks down a one-way street
I look above
And I know I'll always be blessed with love

PRE-CHORUS 2

And as the feeling grows
She breathes flesh to my bones
And when love is dead
I'm loving nature instead

CHORUS 2

BRIDGE

Restore nature, restore nature, restore it now!
Restore nature, restore nature, restore it now!

CHORUS 3
