

Flow, Wandering River by Morfudd Sinclair (2024)

Chorus

Flow, river flow
Flow river flow
Down from the mountains
Down to the sea
Swiftly the waters run wild, wild and free
And flow wand'ring river

Verse

And we come to the river and we see pollution
Cry in anger, call out in shame
And we join in prayer for the sake of our children
Spirit of the river won't you rise, rise again?
