

## **Bella Ciao**

Oh we are singing for Palestinians,  
Oh bella ciao, bella ciao, bella ciao, ciao ciao,  
To right the wrongs, restore their future,  
Divest and sanction Israel now.

Oh we're demanding: stop arming Israel,  
Oh bella ciao, bella ciao, bella ciao, ciao, ciao,  
Shut down Elbit and end the arms trade,  
Divest and sanction Israel now.

Oh we're demanding: stop starving Gaza,  
Oh bella ciao, bella ciao, bella ciao, ciao, ciao,  
This total blockade is genocidal,  
Divest and sanction Israel now.

Oh we are singing, for peace and freedom,  
Oh bella ciao, bella ciao, bella ciao, ciao, ciao,  
Stop the bombing, release the pris'ners,  
Divest and sanction Israel now.

Oh we are singing for Palestinians,  
Oh bella ciao, bella ciao, bella ciao, ciao ciao,  
To right the wrongs, restore their future,  
Divest and sanction Israel now.

To right the wrongs, restore their future,  
Divest and sanction Israel now.
