

# If I Had To Rise Up Now

Key of C Starting Note E

---

If I had to rise up now  
I would do it for the [children]  
I would do it for the [children]  
For they deserve the best

1st verse just melody, then  
[mothers, fathers, teachers, doctors, future, ...]

Or,  
If I had to rise up now  
I'd do it for peace in Gaza,  
I'd do it for peace in Gaza,  
For they deserve the best.

for greater inclusivity, let people shout out a next group etc. to rise up for before starting the next verse
