

## Subsidise the trains

Subsidise the trains,  
Subsidise the trains, yeah,  
Subsidise the trains,  
Subsidise the trains, yeah.

Part 2 comes in, part 3 comes in, part 4 comes in

If you wanna cut down on fossil fuels,  
And keep your carbon emissions low,  
If you wanna do the right thing by the people,  
The trains are the way to go.

You'd better....subsidise the trains, etc
