Time is a run-ning out for pen-guins in the wild! Time is a run-ning out for

pen-guins in the wild! Time is a run-ning out for pen-guins in the wild Soon they'll

all be dead and gone! Save them save them from ex-tinc-tion!

Save them save them from ex-tinc-tion! Save them save them from ex-tinc-tion! So they're

not all dead and gone, Time is a run-ning out for leo-pards in the wild!
