Drunken Rosebank (to the tune of Drunken Sailor)

What shall we do when the rain stops falling? x3
End the North Sea drilling!

No, no, no to Rosebank! x3
End the North Sea drilling!

What shall we do when the park's on fire? x3
End the North Sea drilling! *(CHORUS)*

What shall we do when the train track buckles? x3
End the North Sea drilling! *(CHORUS)*

I don't want our houses flooded!
End the North Sea drilling! (CHORUS)

Fewer freaky storms in winter!
End the North Sea drilling! *(CHORUS)*

What shall we do when Trump says 'drill!'? x3
End the North Sea drilling! *(CHORUS)*

[The] oil will be sold on the global market x3
Not gonna lower our bills. *(CHORUS)*

What shall we do with the oil and gas? x3
Leave it in the seabed! *(CHORUS)*

Yes to growing offshore wind
Yes to solar on our buildings
Yes to the green economy
With lots and lots of jobs! Yeah! *(CHORUS x2)*
